

Stakeholder meeting in Osjek

Written by Vladimir Nikić

Stakeholder meeting is going to be organised in Croatia (Faculty of Food Technology Osijek, Franje Kuhača 20), on 13th January 2011.

According to programe ([download programe](#)), partners from Croatia will present prepared trainings:

- Industrial drying,
- Quality of fruits and vegetables, storage, preparations for distribution and sale,
- Sensory analysis in food industry and
- Health from the plate.

At the end of meeting, parters from Romania and Serbia are going to make introduction on Trainings developed in those two countries.
